

Endgaming

hamster ventricles

ration sonar patties

hieroglyph memoirs cross the stage

barring suitable treaties

subtle reflux modulating
avocado's careless fling
to battered pancake shelters
missive

as the next deluxe upbringing

shatters glasses
the slide across the legend
rumored

to asphyxiate the cousins
bred as trails to sampled longings
a barter fled past its burst, sublime

in delirious chatter,
fixates a waitress bulb
aligned with bubbled lather
berates devalued verbiage
cutlets appeal to longings
detached from particle lodges

**hemisphered to atomize impassioned detritus
from discouraging the unfashionable displays
coming forth in the moral order gone countless**

until ratiocination
brings them encouraging binaries
that crush
the mandibular template yearning

shackled to flattering pantry disposals

a footing wattage blows

sweatshop tundra, mosaic turntable stops

shredded lunar goblets
tasting water's gauntlet
through hurling vehicles

dodging the caravan's terminal thirst
