

Science Sutra

The questionnaire  
was  
designed  
to measure  
the  
intelligence  
of the recently  
discovered  
Bipedal  
and Quadrapedal  
human  
curiosities  
found by a scientist  
in Ankara.

In reply to the question  
“What is the season”?  
Quadrapedal woman  
said  
“I am.”
